WEDO
WOMEN'S ENTREPRENEURSHIP DAY® ORGANIZATION

CERTIFICATE

OF COMPLETION

proudly presented to

Aleen Ajamian

for successfully completing the
WEDO AI Business Education Course

Proudly presented by the Women's Entrepreneurship Day Organization (WEDO) to recognize your achievement in mastering cutting-edge AI skills that empower innovation, leadership, and entrepreneurial success.

This prestigious program is taught by world-renowned AI experts and visionary entrepreneurs, including:

- **Marty Ringlein** – CEO of Agree.com, with a remarkable track record of four successful exits and investments in AI startups.
- **John Boyce –** Technology luminary and founder of Tigergene, a $500 billion AI-driven biotech fund, credited with guiding companies to exits totaling over $1.8 billion.
- **Heidi Hysell –** Responsible AI pioneer and founder of FUTURE | FUTURE and Alpha Drive, setting industry benchmarks in AI innovation.
- **Igor Jablokov –** CEO of Pryon and the visionary behind Yap, which inspired Amazon's Alexa, Echo, and Fire TV.
- **Bina48 –** Breakthrough Intelligence via Neural Architecture 48*, an advanced AI humanoid robot.
- **Heath Owen** – Futurist Art Director at Filecoin Foundation & Filecoin Foundation for the Decentralized Web.
- **Wendy Diamond –** Founder/CEO of WEDO and LDP Ventures, a passionate leader investing in impactful AI companies.

This certification signifies your commitment to AI-driven innovation and entrepreneurship, equipping you with the expertise to lead and excel in the evolving digital landscape.
